

Our Confirmation class is praying for churches around the United States. We blindfold the confirm- ands and they press a pushpin into a US map. Today, Natalie, pressed a pushpin into Mertzon, TX. We used Google to find Methodist churches in that city and found your church! So today we prayed that God will bless your church, its members, and your ministry. Please let us know if your church has any specific prayer concerns that we can pray for. May God bless you and your church!

About Us
